*Email [research@pacificwhale.org](mailto:research@pacificwhale.org) for more information and an entry form*

**RULES**

*All entries must be original works made from marine debris collected by participants on their own beach clean-ups.*

*The use of additional structural supports or adhesives is allowed (mesh, nails, rope, twine), but the bulk of your artwork must be marine debris items.*

*Each entry must include the artist or school group name, clean-up location, distance cleaned, and total items removed.*

*Judging will be based on adherence to project theme, creativity, originality, and minimal use of non-debris items.*
